

Personality Profile

Gunnlaugur Gudmundsson

28/04/1954 12:10 AM

Keflavík, Iceland (64:2 N, 22:36 W)

Basic self and vitality

Tenacious, practical and determined. Stubborn and results-oriented. A long-distance runner. Sensual and likes comfort and good food. (Sun in Taurus) **In 10th house:** Needs to work hard, achieve recognition and see tangible results, in order to maintain his vitality.

Home and emotions

Sensitive, dreamy and imaginative. Likes his habits to be flexible. Creative and compassionate, but also unpredictable emotionally. (Moon in Pisces) **In 7th house:** Needs to be in close contact with people - to care, teach and counsel.

Mind and communication

Intellectually competitive, impulsive, impatient and direct. Likes to tackle new and innovative projects. A pioneer. (Mercury in Aries) **In 10th house:** Career related to communication, commerce, writing or teaching. Needs variety in his job.

Love and relationships

Romantic, sensual and physical in love. Needs stability and security to feel happy or content in relationships. (Venus in Taurus) **In 11th house:** A strong spirit of cooperation. Loves teamwork - wants to make the world a more just and beautiful place.

Personal style and appearance

Warm, creative and expressive. A leader and/or entertainer who loves to be at the centre of attention. (Ascendant in Leo)

Goals and aspirations

Aspires to become a competitive, innovative and independent person. Seeks out difficult and challenging projects. (Midheaven in Aries)

Work and assertiveness

An organized and disciplined worker. A master-builder who likes to act systematically and obtain tangible results.

(Mars in Capricorn) **In 5th house:** Expresses himself in a direct and forceful manner. Likes work to be fun.

Discipline and boundaries

Some of the biggest tests in his life have to do with emotional intimacy, sex, psychology and close relationships. (Saturn in Scorpio)

In 4th house: Problems/obligations because of home, family and childhood issues. Inner discipline.

Ideals and sacrifices

Member of a generation that dreams of love, cooperation, justice and equality. (Neptune in Libra)

In 4th house: Belongs to a religious, spiritual or creative family where there is possibly some chaos or uncertainty.

Beliefs and opportunities

A rational attitude to the world. Focusing on communication, education and media projects will lead to personal growth and progress. (Jupiter in Gemini) **In 11th house:** Opportunity for growth comes through teamwork and activities that benefit society or groups of people.

Renewal and special talents

A member of a generation that makes a revolution in housing, architecture, family relations and in attitudes towards nature. (Uranus in Cancer) **In 12th house:** Puts his originality and individuality to the service of humanity. Special hidden talents.

Transformation

Member of a generation that transforms power, the entertainment industry and attitudes to personal creativity. (Pluto in Leo) **In 1st house:** A need to transform the personality, get rid of personal weaknesses and become stronger. Power complex.

Talents and weaknesses

Sun sextile Moon: Balance between basic self and emotions. Vitality, ambitions and drive harmonize with home and family.

Sun opposite Saturn: Perfectionism can lead to rigidity, inhibitions and fear or responsibility, realism and the ability to get things done.

Moon trine Saturn: Emotional discipline. Likes to be organized. Expresses his emotions in a sober manner. Cool, formal and realistic.

Mercury opposite Neptune: Creative, imaginative and intuitive. Sensitive nervous system. Absent-minded and disorganized. Nebulous energy. At times an inspirational speaker/writer. Broad-minded.

Mars sextile Saturn: A disciplined and organized worker. Likes to plan ahead, take one step at a time and get tangible results. A perfectionist.

Jupiter sextile Pluto: A focused thinker. Interested in conducting research. Passionate or extreme views about the world. Seeks thought provoking knowledge. A "preacher".

Sun trine Mars: Good physical energy; competitive. Talent for leadership; a fighter. Lucky. Finds it easy to work and get things done.

Moon sextile Mars: Strong, competitive emotions. Takes other people's feelings into account and instinctively knows when to act. Likes to be physically active.

Mercury sextile Jupiter: A philosopher. Loves knowledge. Sees the "big picture". A positive and active mind; optimistic. A lively communicator.

Mercury trine Pluto: A profound and penetrating mind. Talent for research: powerful concentration. A passionate and convincing communicator. Ruthless and sarcastic.

Jupiter trine Neptune: Idealistic. Creative imagination. Talent in areas related to entertainment or the making of illusions, e.g. the movies or the arts.

Pluto conjunct Ascendant: Some secrecy surrounds his behaviour and appearance. A loner. Tends to be bossy, a "control freak". Sees the negativity in his environment. Obsessive and ruthless and/or astute and sharp; has penetrating eyes.
