Talents and weaknesses

Moon square Jupiter: Positive, warm and expressive emotions. Optimistic. Extravagant; tends to overdo things - food, money, etc. Likes to travel and be on the move - nomadic lifestyle.

Moon sextile Neptune: Sensitive and compassionate. A flowing imagination. Creative. Talents for the arts.

Saturn trine Neptune: Helpfulness, balance: responsibility and sacrifice. Finds it relatively easy to change her plans and adjust to chaotic situations. Organized chaos.

Moon opposite Saturn: Disciplined and controlled emotions. Orderly and organized lifestyle. Inhibitions, loneliness and depression or realism and composed emotions.

Saturn opposite Uranus: Seeks to accomplish certain goals; then radically changes them in order to start all over again. Responsibility and organization at odds with freedom and spontaneity. Creative tension.

Saturn opposite Pluto: Potentially a difficult energy. Can be very determined, focused and disciplined - but also rigid, ruthless and even cruel (perpetrator or victim).
